The Giving Tree

Dear Parents and Guardians,

The Windsor Junior Women's Club yearly sponsors a Giving Tree. We, along with the community, try to make sure that every child in our town has a nice Christmas. We will have the tags listing the wishes of these children at our local businesses. If you qualify for <u>free</u> lunches at school (check enclosed chart) then you qualify for this program. Please submit your form to either the school office or to the address below by Nov. 8th. It is so important that you fill these forms out and send them back as soon as possible. We ask that an adult, not a child, fill out the form. Please make sure that the gifts requested are within the \$50 range. The gifts may be picked up on Dec. 21st at the Windsor Grade School from 10-11am. You will be contacted again to remind you of the time and date. Failure to pick up or make arrangements to have someone pick up the gifts on that day may result in a delay of your children receiving these gifts. In that case we can not guarantee that they will have them by Christmas

Thank you for your cooperation!

The following is the definition of income:

Income is defined as any monies earned before any deductions such as income taxes, social security taxes, insurance premiums, charitable contributions, and bonds. It includes the following: (1) monetary compensation for services including wages, salary, commissions, or fees; (2) net income from non-farm self-employment; (3) net income from farm self-employment; (4) social security; (5) dividends or interest on savings or bonds or income from estates or trusts; (6) net rental income; (7) public assistance or welfare payments; (8) unemployment compensation; (9) government civilian employee or military retirement or pensions or veteran payments; (10) private pensions or annuities; (11) alimony or child support payments; (12) regular contributions from persons not living in the household; (13) net royalties; and (14) other cash income. Other cash income would include cash amounts received or withdrawn from any source including savings, investments, trust accounts, and other resources which would be available to pay the price of a child's meal.
